## ***Crank Operated Towel Dispensers***

**MODELS**  
**185**  
**190**

**CRANK  
OPERATED  
TOWEL  
DISPENSERS**

***Focused on hygiene, with built-in Alwin dependability,  
these classic dispensers will compliment any room...***

***We know dispensers—you should know us!***

**Model 185 and Model 190 are crank driven—each revolution of the crank dispenses approximately a 3-1/2" (89 mm) length of paper towel**

### **Model 185 Crank Operated Hardwound Roll Towel Dispenser**

- Standard key lock discourages theft and vandalism
- Proven reliability, simple in design
- Accepts rolls in 8.0" (203 mm) diameter and roll widths from 7.0" (178 mm) to 9-1/2" (241 mm)
- Stub roll compartment guarantees full use of paper supply; easy to load
- Heavy gauge coated steel back and cover

### **Model 190 Crank Operated Hardwound Roll Towel Dispenser with Plastic Front**

- Similar capacity features as the Model 170—but available in translucent navy color cover (shown)
- Heavy gauge steel back; high impact plastic cover
- Stub roll compartment guarantees full use of paper supply; easy to load
- Hot stamping (**with your logo**) available!
