**MODEL  
255**

**CENTER  
PULL  
ROLL  
TOWEL  
DISPENSER**

*Focused on hygiene, with built-in Alwin dependability,  
the Model 255 will compliment any room...*

***We know dispensers—you should know us!***

- Classic look, timeless design, smooth and quiet
- Double latch key lock works with standard metal key
- Safely dispenses most roll towels up to 8.0" (210 mm) wide
- No levers, cranks, or buttons to touch = reduces risk of cross-contamination
- No mechanical parts assure continuous service
- Self-adjusting nozzle means no time consuming or inaccurate adjustments
- Very compact space saving design
- Easy to load
- Body and cover are high impact-resistant material; (cover can be replaced—no tools necessary)
- Available in translucent white or translucent navy color covers
- Hot stamping (***with your logo***) available!
