

Specialists in dispensers for over 75 years

Alwin Model 190/191
**Crank Operated Hardwound Roll
Towel Dispenser with
Plastic Transparent Front**

Alwin Model 185/186
**Crank Operated Hardwound
Roll Towel Dispenser**

A universal dispenser that holds all popular hardwound roll towels up to 8" in diameter and roll widths from 7" to 9-1/2". A time proven crank system for maximum simplicity and long lasting use.

The best dispensers hands down.

- Standard key lock discourages theft and vandalism.
- Reliably proven, simple in design, fewer breakdowns.
- Stub roll compartment guarantees full use of the paper supply.
- Holds all standard size hardwound roll towels.
- Easy to load.
- User friendly — user determines how much paper to consume.
- Crank driven — each revolution of the crank dispenses approximately a 3-1/2" paper length.
- Crank operation is smooth and quiet.

Model 190/191
