

Specialists in dispensers for over 75 years

Alwin Model 215 **Push Lever Hard Wound Roll Towel Dispenser**

A universal hardwound roll towel dispenser for most rolls up to 8" diameter and 8" wide. This unique push lever system delivers 5-1/2" of toweling with each stroke and features a patented transfer system with 4" of stub roll capacity. A stylish unit with proven, outstanding performance.

The best dispensers hands down.

- Key lock discourages theft.
- Automatic transfer system with 4" diameter stub roll capacity.
- Strong, heavy gauge steel back assures positive positioning and correct dispensing.
- ADA compliant — good choice for handicap situations.
- Each push delivers 5-1/2" of toweling.
- Permanent key knob available.
- Door can be replaced without tools.
- Mechanism assembly can be changed when necessary without replacing complete dispenser.
- Dispenses non-perforated roll towels up to 8" in diameter and 8" wide with core sizes 1-1/2" to 2".
