

Specialists in dispensers for over 75 years

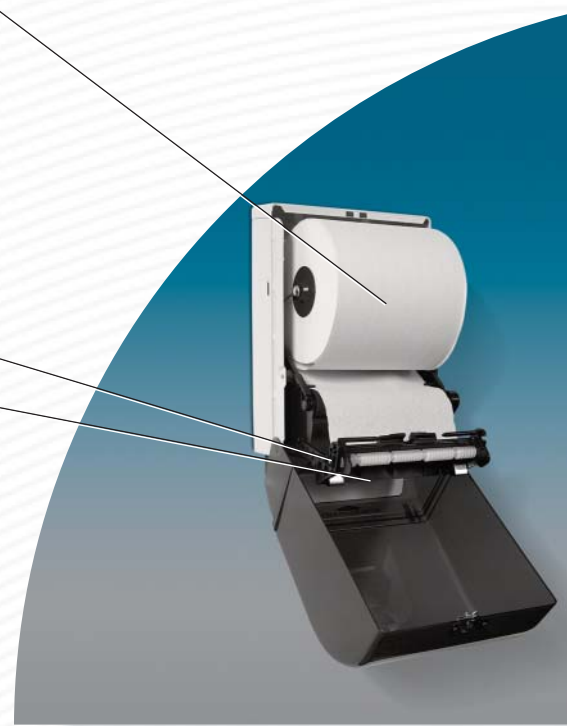

Alwin Model 225/226 **Electronic Hands-Free Roll Towel Dispenser**

A truly automatic touchless roll towel dispenser that provides the most hygienic solution to hand drying. With no levers, cranks, or buttons to touch, the transfer of germs and contaminants to the user from the dispenser is eliminated. Towels are dispensed automatically when hands are placed at a natural position below the dispenser.

The best dispensers hands ~~down~~ ^{FREE}
